CURRENT EMPLOYMENT

2023- Postdoctoral Scholar, Neuroethics Research Group
Department of Philosophy, University of Washington, Seattle, WA

EDUCATION

2023 Ph.D. in Social and Political Thought
York University, Toronto, ON
Dissertation: *The Univocity of Attention: ADHD and the Case for a Renewed Self Advocacy* (300 pages)

2014 M.A. in the School of Communication
Simon Fraser University, Vancouver, BC

2012 B.A. (Honours) in Sociology and (Major) in Philosophy
University of British Columbia, Vancouver, BC

EXTERNAL FUNDING

Federal	2016-2019	\$105,000	Joseph-Armand Bombardier CGS Doctoral Scholarship
	2019	\$6,000	Michael Smith Foreign Studies Supplement
	2018	\$6,000	Michael Smith Foreign Studies Supplement (Declined)
	2013-2014	\$17,500	Joseph-Armand Bombardier Canada Graduate Master's Scholarship
Provincial	2015-2016	\$15,000	Ontario Graduate Scholarship
	2016-2017	\$15,000	Ontario Graduate Scholarship (Declined)
Private-Federal	2018	¥534,000	Mitacs-JSPS (Japanese Society for the Promotion of Science)
		<hr/>	
		\$150,000	Total funding received

AWARDS AND PRIZES

2024	\$2,532	Harlan Hahn Endowment Fund
2024		Institute of Physics Trusted Reviewer Status
2022	\$2,500	CUPE PhD Completion Fund Bursary
2022	\$135	Academic Excellence Fund
2019	\$400	Professional Development Fund
2017	\$152	Graduate Development Fund
2013	\$6,250	School of Communication Graduate Fellowship
2011	\$3,163	Arts Research Course Abroad Award Program

- 2013 Brown, Andrew Ivan. Martin Heidegger and Seduction. 6th Annual Sociology Graduate Student Conference. The University of British Columbia.
- 2013 Brown, Andrew Ivan. Homoseduction and the One-Dimensionalization of On-line Seduction Communities. 23rd Annual Western Canada Communication Graduate Students Conference. Nelson, BC.

INVITED SPEAKER

- 2023 Brown, Andrew Ivan and Aryn Martin. “Chronic Traumatic Masculinity,” Head in the Game Symposium. Brisbane, Australia [online]. February 14-15.
- 2018 Translated live into Japanese: Brown, Andrew Ivan. “The Positives of ADHD,” Community Centre in Naha, Okinawa, Japan. 74 parents and teachers in attendance. 30 min.
- 2014 Summer Institute: Brown, Andrew Ivan. “My positive and negative experiences with ADHD as a graduate student.” University of British Columbia, Vancouver, BC. Approximately 25 teachers, school counsellors, support staff, administrators and health care professionals in attendance. 5 min.

TEACHING AND MENTORING

University of Washington

- 2024 (Course instructor) Philosophy 442: Neuroethics
- 2024-2023 (Mentor) Research Undergraduate Experience (REU) Program

York University

- 2022-2014 (Teaching assistant – taught weekly 1–2-hour tutorials of approximately 25 students each)
- Social Science 1000: Introduction to Social Science (2021-2022)
- Social Science 1140: Self, Culture, and Society (2019-2021)
- Social Science 1801: Health Controversies (2015-2019)

Simon Fraser University

- 2014-2012 (Teaching assistant – taught weekly 1–2-hour tutorials of approximately 25 students each)

Communications 220: Understanding Television (2014)
Communications 130: Communication and Social Change (2013)
Communications 110: Introduction to Communications (2012)

International Language Academy of Canada (Private Language School)

2015 (Course instructor - taught daily classes of 30 international ESL students)

Advanced English
Intermediate English

GUEST LECTURES

- 2023 Brown, Andrew Ivan. "The Univocity of Attention: Toward a Renewed ADHD Self-Advocacy." Neuroethics Group, Department of Philosophy, University of Washington.
- 2016 Brown, Andrew Ivan. "Neuroreductionism, Nikolas Rose, and the Sociology of Brain Sciences." Social Science 4145, Department of Social Sciences, York University.
- 2016 Brown, Andrew Ivan. "Health Controversies: Aboriginal Peoples." Social Science 1801, Health & Society, Department of Social Sciences, York University.

EDITORIAL RESPONSIBILITIES

- 2023- Peer Reviewer
2024
Journal of Neural Engineering
Journal of the American Philosophical Association

DIVERSITY, EQUITY AND INCLUSION ACTIVITIES

- 2023- Leadership Team – Huskies for Neurodiversity at the University of Washington

MEMBERSHIPS AND AFFILIATIONS

- 2024- Subscriber, Canadian Journal of Communications
2023- Member, American Society for Bioethics and Humanities (ASBH)
2018- Member, Society for Social Studies of Science (4S)
2017 Member, Canadian Society for the History and Philosophy of Science
2013 Member, Canadian Communications Association

RESEARCH EMPLOYMENT

- 2023- Postdoctoral Responsibilities
Drs. Sara Goering and Eran Klein, Neuroethics Group, University of Washington
- Helps to organize human subjects aspects of the NIH R01 grant, including IRB, recruitment, consents, coordination with research sites, data management, etc.
 - Helps to coordinate weekly research group meeting and presents works-in-progress.
 - Helps to develop interview guides.

- Interviews participants for NIH R01 grant, coordinates data analysis, plans out writing projects for grant (timelines, assigning research/writing responsibilities, co-authoring papers, working with journals on open access).
- 2022 Book Editor, Consultant
Dr. Patty Douglas, Re-Storying Autism Project, Brandon University
- Read through draft of book prior to publication, provided suggestions and edits regarding readability, clarity, and cohesiveness. Offered feedback on and further suggestions for theoretical and philosophical references used/to be used.
- 2021 Research Consultant, Archival Data/Community Discourse Analyst, Writer
Canadian Blood Services (CBS)
Full-time work
- Provided recommendations to CBS and Health Canada as to the systemic homophobia behind the gbMSM (gay, bi and other men who have sex with men) blood donation deferral policy (popularly known as the “gay blood ban”).
 - Wrote and submitted 100-page report titled “A Discursive History of the MSM Blood Deferral Policy in Canada: 1983-2021” to Health Canada as part of their 2021-2022 review of the policy; as a result of their review, Health Canada announced it would end the gay blood ban.
 - Held weekly consultation meetings with CBS staff.
 - Conducted archival research of major Canadian newspapers and 2SLGBTQIA+ periodicals from 1983-2021 in order to analyze how community discourse changed over the years.
 - Conducted a literature review of recent scholarly publications on deferral policies in Canada and around the world.
- 2018 Clinical Research Intern
Children’s Research Centre, Okinawa Institute for Science and Technology, Okinawa, Japan
Full-time work
- Received informal training in diagnostic assessments and practices of ASD, ADHD and learning disabilities, including administration of SNAP-IV, WISC, K-SADS, WIAT, and CELF.
 - Conducted over 20 personalized, open-ended interviews with clinicians about their practices.
 - Presented on the positives of ADHD as an invited speaker to Japanese teachers and parents. Lecture was translated by a Japanese clinician in front of a live audience.

PROFESSIONAL SERVICE AND COMMUNITY ENGAGEMENT

- Foster Admissions Coordinator – Annex Cat Rescue (ACR) 09/2022 – Ongoing
Assess suitability of trapped feral cats in Toronto for indoor life; prioritize foster placement for cats in need of medical attention; communicate with trappers; use Java programming language to assist ACR with keeping track of cats digitally via Google Script and Google Sheets.
- Mentor – Research Experience for Undergraduate (REU) Program at UW 06/2023-08/2023
Weekly hourly meetings with REU undergraduate student. Provides academic guidance and feedback on progress, helps student to choose research topic, prepare a poster, and present.
- Medical Foster Parent for Rescued Cats – Annex Cat Rescue 07/2022 – 01/2023

Taking care of rescued cats with medical needs, including socialization for adoption permanent homes; attention to medical conditions; and managing crisis situations.

Grad. Student Association Executive – Social and Political Thought, York University 09/2017 – 08/2019

Attended monthly meetings with student-faculty-staff executive members of the program to discuss and vote on important and urgent matters and to mediate student concerns.

Certification in Japan Society for the Promotion of Science (JSPS) 06/2018 – 08/2018

Received training on Japanese cultural customs, Japanese language classes and homestay; collaborative research networking retreat with international scholars and scientists.

Founder, Developer, Co-Facilitator – York ADHD Strategy Group 01/2017 – 03/2017

Group was designed to offer students an opportunity to share their experiences with ADHD; recognize the positive aspects of the syndrome; and develop specific strategies for managing schoolwork, life, and responsibilities. Founded in conjunction with the York University Psychology Clinic and Dr. Maggie Toplak, a psychology professor who specializes in ADHD, and with the cooperation of university administrators.

Toronto Distress Centre – Distress Line Worker 10/2015 – 08/2016

Over 150+ volunteer hours on the lines, using non-judgemental listening while interacting with callers and chatters (including youth), and following risk assessment protocol to screen for and respond to high-risk situations; received intense, one-month crisis management training totalling approximately 50 hours to provide support, resource referrals and interventions to persons in crisis or distress while maintaining client confidentiality; consulted and debriefed with Distress Centre staff regarding challenging calls including suicide, child abuse, self-harm, and violence (including homicide); composed post-call reports on coping mechanisms, situational management, safety planning, and suicide risk assessment.

Grad. Student Association Co-Chair – Social and Political Thought, York University 10/2015- 09/2017

Organized and chaired monthly meetings for the program's Graduate Student Association (GSA); mediated between different student committees, faculty, and administration over a variety of issues in the program; commissioned and co-authored petition letters; attended meetings with faculty deans, department chairs, and program directors to relay complaints from students and the GSA; negotiate a hire of an assistant to help with the workload of our graduate program assistant, and to secure course releases for two graduate program directors.

Certification in Teaching English to Speakers of Other Languages (TESOL) – International Language Academy of Canada 01/2015 – 07/2015

5-week intensive course and practicum of approximately 125 hours.

Vancouver Crisis Centre – Distress Line Worker 03/2014 – 08/2015

Over 200 hours on the lines. Received intense, two-month crisis management training for a total of 90 hours. Similar to my Toronto Distress Centre work described above.

Information Volunteer – ADHD Awareness Week 10/2014

Staffed information table at Richmond Brighthouse Library to answer questions about ADHD; advocated for awareness aimed at reducing stigma.

Facilitator and Lecturer – Summer Institute 2014 08/2014

Facilitated and lectured at two workshops at the Summer Institute 2014 that included teachers, school counsellors, school support staff, school administrators, district staff, school health care

professionals, parents, students and school community partners, with the aim of improving awareness and understanding of ADHD as well as practical strategies for use in classrooms and school communities.

- Core Training, Facilitation Training and Involvement – YouthCO 01/2014 – 04/2014
Partook in two eight-hour days of training to learn about HIV and Hep C, stigma, privilege and core values of YouthCO, a youth-run organization working to foster inclusive communities and empower youth. Also attended a one-day facilitation training course to learn how to facilitate discussions on sexuality, sexual health and harm-reductive drug-use strategies. Regularly attended community meetings and events.
- Organizer – Youth Summit ADHD Corner Planning Committee 11/2013 – 02/2014
Helped to plan and organize the “ADHD Corner,” a booth set-up in the annual Youth Summit. Hosted by the FORCE Society for Kids’ Mental Health and initiated by the ADHD Task Force established in 2011. Objective was to bring together youth with ADHD from across the province to engage in dialogue about enhancing the system’s response and support for children, youth and young adults with ADHD. Held at Rogers Arena, the Youth Summit attracted 1,500 youth, teachers and parents. Involvement in the planning team also included speaking to youth during the summit to answer questions about ADHD.
- Certification in Nonviolent Crisis Intervention Training 01/2014
Took part in an intensive, eight-hour training session to learn how to safely manage disruptive and assaultive behaviour.
- Arts Term Abroad in Global Citizenship Group Study Program 05/2011 – 06/2011
Participated in an intensive, six-week group study program in Guatemala along with nineteen other students and two professors. The program consisted of taking two courses taught on location in Guatemala counting for a total of six credits towards my undergraduate degree. Learned about the negative impacts of colonialism and capitalism on Guatemalan society.
- UBC Debate Society 09/2010 – 12/2010
Participated in several training sessions and practice rounds every week; acquired vital skills in debate, communication, and public speaking. Also participated in “Fall Open,” the annual debate tournament at the University of Calgary.
